

## HPCA Newsletter

August 2023

**Good Morning Neighbors:** It is Tuesday morning, August 29. I hope everyone had a wonderful summer and is looking forward to our fall season. With that comes our annual Oyster Roast. We started this Oyster Roast in 1927 and, by all calculations and the memories of some of our long-time residents, have missed only a year during WWII and two years due to Covid. Obviously, this is a long-standing tradition and one we all look forward to attending. I hope you mark the date on your calendar and join us for a great afternoon.

**Oyster and Bull Roast – Saturday, October 7, 1-4 pm** – Needless to say, this event takes a great deal of advance planning and a number of volunteers for the day. A sign-up sheet will be available at the upcoming membership meeting, Saturday, Sept. 16, 9:30 AM. Please take some time to volunteer for one of the many tasks that need to be done in order for this event to run smoothly. Suzie Galler is taking the lead on this event going forward, with Woody Young's help, and Terri Sisk is ably taking charge of the kitchen. Helpers are needed for setup, cleanup, servers, etc. If you would like to volunteer to help with the oyster roast in some capacity, please call Woody Young, 410-286-5556. A flyer is included in this newsletter with further details.

**Elections** – Congratulations to Rich Erickson and Laurie Bryan, our newly elected Directors. Director positions are for a term of three years. Also, thank you to Lannie Elderkin for stepping up to accept the position of Corresponding Secretary. Lannie will be coordinating newsletter articles and sending out our newsletter starting with this issue.

**Thank you to Carol Wyman** – who served as one of our directors for six years. Carol is one of our long-time residents; her family has been here since 1935. Carol was born December of 1936 and, as a child, came down to Holland Point on weekends and summers. Her family stayed in one of the summer cottages and eventually bought what is now the Wyman cottage and created a year-round home. She can remember her brother and his friends celebrating the end of WWII with no more gas rationing and the opportunity to fuel their small motor boats to cruise the Bay! Carol was Executive Assistant to the Vice President for Federal Regulatory Law at Coastal Corporation (a gas pipeline company) and commuted to DC from Holland Point, retiring in 2002. She would like everyone to know that was her privilege to serve on the HPCA Board of Directors.

Update on SHA improvements for our community – Larry Brown, Chair of our Long-Range Planning Committee will be meeting with SHA representatives sometime in late September or early October. They will outline dates for deliverables, action items and what has been done so far.

Short newsletter this month. *Hope to see everyone at our membership meeting, Saturday, September 16, 9:30 am. Gayle*

8/30/23 by T. Bragg
